COMMENT

Meeting Attended:

Important Issues:

Property Uses:
Residential

Comment:

I would like to know where these power lines are going.

I am a land owner out of state and plan to build on my land soon and have small children. I dont want them living near these lines,plus i dont want my lands value to go down. I am unable to attend these meetings so i would like as much info as possible. thank you. nathan essman

I-117-001: Socioeconomic Resources (In Review)

Your email/letter/comment form has been received and your comment noted. Potential impacts to social and economic resources from the proposed project and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
